

Certificate of Calibration

This hydrometer was manufactured and calibrated in accordance with the National Institute of Standards and Technology (NIST), formerly the National Bureau of Standards (NBS) as outlined in NBS Circular 555. The calibrations have been compared with standards calibrated at the National Institute of Standards and Technology.

VEE GEE certifies that this hydrometer meets or exceeds the tolerances of accuracy and physical specifications set forth by the National Institute of Standards and Technology Circular 555, American Society of Testing and Material (ASTM) E100-93, American Petroleum Institute (API), and Military STD-45662A.
