

UniSafe™ Unitary Wash Bottles, 4-color, LDPE

UniSafe™ unitary LDPE wash bottles have a built-in delivery tube making it a one-piece bottle and reducing the risk of contamination since there are less assembly parts. The unitary wash bottles are easy to squeeze and dispense a steady stream.

They are pre-printed with the Chemical name and formula, the National Fire Protection Association (NFPA) Section 704 Four-color Diamond, health hazards, Chemical Abstract System (CAS) number, and suggested protective clothing and equipment. Each bottle is compliant with GHS and OSHA requirements outlined in Hazard Communication Standard 29 CFR 1910.1200. Intended for use only with LDPE and PP compatible solvents.

- **Industrial quality low density polyethylene (LDPE) bottle and polypropylene (PP) closure**
- **Preprinted bottles include: chemical name and formula, NFPA diamond, health hazards, and CAS number**
- **Built in delivery tube reduces risk of contamination**
- **Leakproof closures**

UniSafe™ Unitary Wash Bottles, 4-color, LDPE

Item #	Description	Closure color	Quantity per pack
